

JORGE GONCALVES

CURRICULUM VITAE

Contact

Full name: Jorge Andre Goncalves
Email: jorge.goncalves@unimelb.edu.au
Phone: +61383442901
Website: jorgegoncalves.com

Education

PhD in Computer Science and Engineering (with distinction)
Thesis: Situated Crowdsourcing: Feasibility, Performance and Behaviours
August 2015, University of Oulu, Finland

MSc in Computer Science and Engineering
Thesis: Groupster: Narrowcasting on Social Networking Sites (19 out of 20)
September 2011, University of Madeira, Madeira Interactive Technologies Institute

BSc in Software Engineering
September 2009, University of Madeira

Work Experience

Lecturer	University of Melbourne (Australia)	Apr. 2017 – Now
Postdoctoral Researcher	University of Oulu (Finland)	Aug. 2015 – March 2017
Research Scientist	University of Oulu (Finland)	Feb. 2012 – Aug. 2015
Visiting Researcher	ifuplan (Germany)	Jun. – Aug. 2015
Visiting Researcher	University of Tokyo (Japan)	May – Jul. 2014
Visiting Researcher	Pukyong National University (South Korea)	Apr. – Jun. 2013
Research Assistant	University of Madeira (Portugal)	Sep. 2011 – Jan. 2012

Awards and Recognition

- 2017: **Special Recognition - Review**, CHI '17 (United States)
- 2017: **SIGCHI Best of OzCHI Honorable Mention Award**, OzCHI '17 (Australia)
- 2015: **Distinguished Doctoral Dissertation**, University of Oulu (Finland)
- 2015: **Best Paper Award**, BritishHCI'15 (UK)
- 2015: **Special Recognition - Review**, CHI '15 (South Korea)
- 2014: **SIGCHI Best of CHI Honorable Mention Award**, CHI '14 (Canada)
- 2012: **Best Presentation Award**, UBI Summer School (Finland)
- 2010: **Fraunhofer Challenge Finalist**, Fraunhofer: Research of Practical Utility (Portugal)

Grants

- 2017: **University of Melbourne-University of Manchester Research Fund**
- 2017: **University of Melbourne Early Career Researcher Grant**
- 2015: **Walter Ahlström Foundation Research Grant**
- 2014: **University of Oulu Travel Grant**
- 2014: **Walter Ahlström Foundation Research Grant**
- 2013: **Infotech Graduate School Personal Scholarship (3 years)**

- 2012: **Nokia Foundation Personal Scholarship**
- 2013: **University of Oulu Travel Grant**
- 2013: **Tauno Tönning Foundation Grant**
- 2013: **Walter Ahlström Foundation Research Grant**
- 2012: **Nokia Foundation Personal Scholarship**

Seminar/Conference Presentations

I have given oral presentations at the following conferences: UbiComp'17 (full paper), WWW'17 (full paper), CSCW'16 (full paper), UbiComp'16 (workshop paper), BritishHCI'16 (full paper), UbiComp'15 (2x workshop paper), UIST'14 (full paper), UbiComp'14 (full paper), DIS'14 (full paper), ASSETS'13 (full paper), UbiComp'13 (full paper, workshop paper), ASONAM'13 (full paper). Furthermore, I have given invited talks at the University of Bristol, University of Birmingham, University of Bath, University of Zurich, ifuplan, University of Tokyo, KAIST, PKNU, and IBM TJ Watson Research Center.

Teaching

- **Social Computing** (2018 - Lecturer)
- **Graphics and Interaction** (2017, 2018 - Lecturer)
- **Human-Computer Interaction** (2012, 2013, 2014, 2015 – TA, 2016 - Lecturer)
- **Mobile and Social Computing** (2013, 2014, 2015, 2016 - TA)
- **Research Methods in Computer Science** (2012, 2013, 2014 - TA)
- **Applied Computing Project 1 and 2** (2013, 2014, 2015, 2016 - TA)
- **Information Networks Service Techniques** (2012 - TA)

Student Supervision

- **Danula Enrijath (PhD, primary supervisor):** 2018-ongoing
- **Gabriele Marini (PhD, co-supervisor):** 2018-ongoing
- **Zhanna Sarsenbayeva (PhD, primary supervisor):** 2017-ongoing
- **Chu Luo (PhD, co-supervisor):** 2016-ongoing
- **Niels van Berkel (PhD, co-supervisor):** 2016-ongoing
- **Furqan Ahmed (MSc, primary supervisor):** Graduated (2016)
- **Junjie Zhou (MSc, co-supervisor):** Graduated (2016)
- **Subinqian Hu (BSc, primary supervisor):** Graduated (2016)
- **Zhanna Sarsenbayeva (MSc, primary supervisor):** Graduated (2015)
- **Nemanja Vukota (BSc, co-supervisor):** Graduated (2014)
- **Teemu Partanen (BSc, co-supervisor):** Graduated (2014)
- **Miika Keisu (BSc, co-supervisor):** Graduated (2014)
- **Jonas Nikula (BSc, co-supervisor):** Graduated (2014)

Media Mentions

- **The Economist:** Buddy, can you spare a watt? (30 Apr 2016)
- **Nielsen Norman Group:** Work on micro-usage smartphone behavior (1 Nov 2015)
- **New Scientist:** Magnetic messages let smartphones receive secret data (3 Jul 2014)
- **TechXplore:** Team explores magnetic communication for smartphones (6 Jul 2014)
- **Gizmodo:** Your next phone could communicate using magnetism (4 Jul 2014)
- **New Scientist:** Use a bus stop touchscreen to kill time – and help out (5 Aug 2013)

Academic Service

- **University Administration**
 - Credit Assessor, School of Computing and Information Systems, University of Melbourne
 - Webmaster, Center for Ubiquitous Computing, University of Oulu
 - Webmaster, Madeira Interactive Technologies Institute, University of Madeira
- **Organisation & Editorials**
 - Workshop Chair, 2019 ACM CHI Conference on Human Factors in Computing Systems (CHI'19)
 - Associate Editor, Proceedings of the ACM on Interactive, Mobile, Wearable and Ubiquitous Technologies (PACM IMWUT)
 - Guest Editor, Special Issue on Mobile and Situated Crowdsourcing (IJHCS)
 - Co-Chair, UBI Summer School 2016
 - Organiser, 2nd Workshop on Mobile and Situated Crowdsourcing (UbiComp'16)
 - Organiser, 5th ACM International Symposium on Pervasive Displays (PerDis'16)
 - Organizer, 1st Workshop on Mobile and Situated Crowdsourcing (UbiComp'15)
 - Organiser, Workshop on Human Interfaces for Civic Engagement (UbiComp'13)
- **Technical Program Committee Member**
 - 32nd British Human Computer Interaction Conference (BritishHCI'18)
 - 2018 The Web Conference (WWW'18)
 - 21st ACM Conference on Computer-Supported Cooperative Work and Social Computing (CSCW'18)
 - 31st British Human Computer Interaction Conference (BritishHCI'17)
 - Internet of Things for the Global Community (IoTGC'17)
 - 5th ACM International Symposium on Pervasive Displays (PerDis'16)
 - 29th 2nd British Human Computer Interaction Conference (BritishHCI'15)
 - 12th International Conference on Mobile and Ubiquitous Multimedia (MUM'13)
 - 2nd International Urban Interactions Research Challenge (UBI Challenge'13)
 - UbiMI: 2nd International Workshop on Ubiquitous Mobile Instrumentation (UbiComp'13 Workshop)
 - UbiMI: 1st International Workshop on Ubiquitous Mobile Instrumentation (UbiComp'12 Workshop)
- **Journal Reviewer**
 - ACM ToCHI, IJHCI, Interacting with Computers, IEEE Pervasive Computing, IJHCS, PMC, ACM ToIT, Computer Networks, Policy & Internet, PACM IMWUT, JCSCW
- **Conference Reviewer**
 - CHI, CSCW, MobileHCI, UbiComp, UIST, ISS, DIS, INTERACT, NordiCHI, BritishHCI, OzCHI, ICWSM, C&T, MUM, PerDis
